CONTINENTAL SUBWAY

3" x 6"

<https://cepactile.com/product/continental-subway/>

A traditional shape with modern sensibility in cool greys, creamy neutrals and rich jeweled blues, Continental Subway is the perfect touch of class you've been looking for. Loose pieces offer endless freedom, letting you design exactly the configuration your space deserves.

Coordinating Trim: Jolly Piece 9/16" x 6" Bead | Jolly Piece 1/2" x 6" Surface Bullnose
Please note the Jolly pieces are coordinating trims that are fired at different times than the field tile. In this regard, there can be wide shade variations between the field and trim pieces.

RECOMMENDED AREAS OF USE

With regard to the durability of the bisque and glaze, this material is suitable for:

- All countertop applications - residential and commercial
- Fireplace surround, hearth and firebox
- Light commercial flooring applications and all residential flooring applications
- All interior wall applications - residential and commercial
- All exterior wall applications - residential and commercial including building facades, swimming pools, fountains, outdoor kitchens and regions that experience extreme weather conditions, subject to the method of installation

INSTALLATION METHOD

- Please refer to the TCNA handbook for installation method: <http://www.tcnatile.com/>
- Always inspect material prior to installation, for color, shade, size, mounting and any other deciding factors as installed material cannot be accepted for return or credit. Use signifies acceptance.
- Recommended Grout Joint: Minimum 1/8"
- Material can be cleaned with any mild nonabrasive household cleaning product due to the chemical resistant nature of the glaze.
